

All proceeds from the Food Stand and Gift Shop go toward the programs and Expansion Project of the Spiritual Life Center here at the Ellsworth Correctional Facility.

The mission of the Right Track Foundation is to make the communities in which we live safer for our families and neighbors by reducing recidivism and victimization. The Right Track Foundation assists those who are re-entering society from prison by providing them with the skills, education, faith, confidence and self-worth to help them get on the Right Track for a better, more productive life.
